	Title: Impact	
	The one million two hundred thousand woman and men of Rotary have accomplished extraordinary things.	
	They have helped people grow food in communities around the world	
	They've taught millions of people to read.	
	They've brought clean water to villages, worked toward world peace, and have nearly eradicated a crippling childhood disease from the face of the earth.	
	But here's the thing.	
	Each one of those one million two hundred thousand women and men know they could accomplish so much more, if only they were one million, two hundred thousand...and one.
